

14 Grammar Rainbow – Explaining ‘Punctuation’

The fifth ‘P’ is Punctuation and many teachers think they know about punctuation.

But let’s think about a hyphen, let’s think about brackets. What is the difference between a dash and a hyphen? What is the difference between a colon and a semi-colon?

We must never hit the classroom not knowing, and we have lots of worksheets and support for you, so you really do know the detailed difference between the high-order punctuation types.
