1. Introduction: what a publication scheme is and why it has been developed

One of the aims of the Freedom of Information Act (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- The classes of information which we publish or intend to publish;
- The manner in which the information will be published; and
- Whether the information is available free of charge or on payment. The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is either available for you on our website to download and print off or is available in paper form from the school. Some information which we hold may not be made public, for example personal information. This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

2. Aims and Objectives

The school aims to:

- Ensure that each child realises his or her full potential

A policy of Howard Park Community School

- Meet the needs of individual children in a caring environment
- Develop mutually supportive links between home and school
- Develop confidence, independence, self-esteem, together with respect for all people
- Provide high quality teaching and stimulating learning opportunities
- Establish high expectations of both behaviour and attainment
- Prepare children for their responsibilities as good citizens and develop their awareness of their role in the wider community, This publication scheme is a means of showing how we are pursuing these aims.

3. Categories of information published

The publication scheme guides you to information which we currently publish, have recently published or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in section 6 of this scheme.

The classes of information that we undertake to make available are organised into four broad topic areas:

1. School Prospectus – information published in the school prospectus.
2. Governors' Documents – information published in the Governors Annual Report and in other governing body documents.
3. Pupils & Curriculum – information about policies that relate to pupils and the school curriculum.
4. School Policies and other information related to the school - information about policies that relate to the school in general.

How to request information

If you require a paper version of any of the documents within the scheme, please contact the school by telephone, email, fax or letter.

To help us process your request quickly, please clearly mark any correspondence "PUBLICATION SCHEME REQUEST" (in CAPITALS please)

If the information you're looking for isn't available via the scheme and isn't on our website, you can still contact the school to ask if we have it.

4. Paying for information

Information published on our website is free, although you may incur costs from your Internet service provider. If you don't have Internet access, you can access our website using a local library or an Internet café.

Single copies of information covered by this publication are provided free unless stated otherwise in section 6. If your request means that we have to do a lot of photocopying or printing, or pay a large postage charge, or is for a priced item such as some printed publications or videos we will let you know the cost before fulfilling your request.
