- Monitor workloads and be alert to signs of stress, and regularly talk to staff about their work/life balance

- Make sure new staff are properly and thoroughly inducted and feel able to ask for help

- Help to arrange personal and professional development training where appropriate
- Keep in touch with staff if they're absent for long periods
- Monitor staff sickness absence, and have support meetings with them if any patterns emerge

- Conduct exit interviews with resigning staff to help identify any wellbeing issues that lead to their resignation

Role Of Senior Staff

Senior staff are expected to:

- Lead in setting standards for conduct, including how they treat other members of staff and adhering to agreed working hours
- Manage a non-judgemental and confidential support system for staff
- Monitor the wellbeing of staff through regular surveys and structured conversations
- Make sure accountability systems are based on trust and professional dialogue, with proportionate amounts of direct monitoring
- Regularly review the demands on staff, such as the time spent on paperwork, and seek alternative solutions wherever possible
- Make sure job descriptions are kept up-to-date, with clearly identified responsibilities and staff being consulted before any changes
- Listen to the views of staff and involve them in decision-making processes, including allowing them to consider any workload implications of new initiatives
- Communicate new initiatives effectively with all members of staff to ensure they feel included and aware of any changes occurring at the school
- Make sure that the efforts and successes of staff are recognised and celebrated
- Produce calendars of meetings, deadlines and events so that staff can plan ahead and manage their workload
- Provide resources to promote staff wellbeing, such as training opportunities
- Promote information about and access to external support services
- Organise extra support during times of stress, such as Ofsted inspections
- Wherever possible, ensuring staff are able to take part in activities their children and family members may be involved in, e.g. attending nativities, sports days etc.

Role of the Governing Body

The governing board is expected to:

- Make sure the school is fulfilling its duty of care as an employer, such as by giving staff a reasonable workload and creating a supportive work environment
- Monitor and support the wellbeing of the headteacher
- Ensure that resources and support services are in place to promote staff wellbeing
- Make decisions and review policies with staff wellbeing in mind, particularly in regards to workload
- Be reasonable about the format and quantity of information asked for from staff as part of monitoring work
- Ensure that staff are clear about the purpose of any monitoring visits and what information will be required from them
- Mr Gordon Muir is the Governor elected with the responsibility of overseeing staff wellbeing.

Managing Specific Wellbeing Issues

The school will support and discuss options with any staff that raise wellbeing issues, such as if they are experiencing significant stress at school or in their personal lives.

Where possible, support will be given by line managers or senior staff. This could be through:

- Giving staff time off to deal with a personal crisis
- Arranging external support, such as counselling or occupational health services
- Completing a risk assessment and following through with any actions identified
- Reassessing their workload and deciding what tasks to prioritise

At all times, the confidentiality and dignity of staff will be maintained.

Monitoring Arrangements

This policy will be reviewed annually by Mr J Pickles (Headteacher) and Mr G Muir (Governor) At every review, it will be approved by the full Governing Body.
