Teaching staff from these groups will monitor and supervise playtimes outside. • General playground equipment will not be used to reduce the risk of cross infection. Any specific items that are used such as a football will be cleaned afterwards if required. Usual games of football will not be allowed to take place although children may want to kick footballs around together. Ideas of games that can be played will be discussed and shared with staff prior. • Football rotas in place at lunchtime to minimise the interactions between different classes. |
